TO YOUNG MEN

SAVE A PART OF YOUR EARNINGS AND PUT YOUR SAVINGS IN THIS GOOD BANK.

This advice may sound commonplace to many young men. But it is a valuable advice. Because it is Free Advice, doesn't detract a particle from its Real Value.

The Young Man with the SAVING HABIT is marked for something better. The eyes of Successful Business Men are always upon him, because Successful Business Men are looking for the young man who LOOKS AHEAD, and shows that he is Looking Ahead by saving a part of what he earns. The young man who spends as fast as he makes his money, will most likely always find his nose fastened to the grindstone of mediocrity. The Young Man who SAVES is getting in position to take advantage of OPPORTUNITY when it comes his way.—The Man Who Saves Always Has a Better Show Than the Man Who Spends.
